

**WE ARE
HIRING
VACANCY**

Vacancy: BMG Richards Bay 2700-Bulk Material Handling, KZN- South Africa
Production Manager/Specialist M4012

Closing Date: 20 February 2024

Objectives/ Principle accountabilities:

Lead an organisational strategy that encompasses the split in Heavy Belting operational identities. Incorporates CENTRES of EXCELLENCE (COE) as a national service provider. This is all fundamentally aligned to the three BMG strategic pillars as Quality. Components, Technical Expertise and Superior Service.

Roles & Responsibilities:

- Direct and guide strategy, operational policies, production plans and Health & Safety.
- Carry out work study and process assessment to enable improvement to be managed.
- Re-focus the Hub's workshops into Heavy Centres of Excellence with nominated workstation teams appointed with both clearly nominated Internal production and separate Field service teams named with roles defined.
- Access and align staff's craft skill to best fit in accordance with ability and work demand.
- Instil clear ownership of process within the teams.
- Improve end to end communication and production processes across all workflows.
- Planned maintenance initiated and overseen. Tools, equipment, and vehicles.
- Quality Control Plan (QCP) implemented and managed. Incidence of QC non-conformance acted on.
- housekeeping directives issued, and standards managed.
- KAIZEN and LEAN management models implemented.

Requirements:

- Matric / Grade 12 & related technical qualification
- Executive Development Course
- Minimum 5 years, production management experience.
- Experience in customer and supplier negotiations.
- Exceptional Computer literacy.
- Strong management experience at a senior level.

Should you have the necessary skill set, attach a brief CV to: vacancyapplications@bmgworld.net – REF: **"Production Manager M4012"** must be quoted in subject of the e-mail.

All internal applicants are required to complete an IVAF form signed off by line manager prior to submitting application.
